The proposal to fill up vacancies without advertisement is directly in contravention of the Rules of Recruitment and cannot perhaps be accepted. Passed candidates of Adikarnataka Community desirous of seeking employment in Govt. Service may refer to the Gazette notified to Public offices and apply for vacancies for which they are qualified. It seems undesirable to relax the rule in favour of a particular Community for the reasons stated in the Director's letter.

The difficulty pervaded out appears to be more ~~out~~ apparent than real. It is open to the Divisional Officer to appoint an Adibasi Gaekwadi boy & obtain his application & forward to the Board. This however is rather a cumbrous process. Similar difficulty is being experienced perhaps in Baroda Girls school where only Maharashtrian ladies have to be appointed & as a rule Maharashtrian ladies have no access to Vernacular Gazette. It may therefore be desirable to permit the D.P.I. to appoint Adibasi and Gaekwadi candidates & Maharashtrian lady teachers when they are available & report them to C.R.B. for information and record. This will however mean a ~~change~~ departure of some considerable importance from the usual practice, the subject may be considered by the C.R. Board on the 16th ~~May~~ June 1928

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

SIR,

I have the honor to state that it has been always found difficult to get qualified teachers for Adikarnataka schools and such men when appointed do not generally stay on for some reason or the other. With the spread of education amongst the Adikarnata-kas, passed candidates from that community are now available but it has been represented that as these men live in remote villages and have no access to the Mysore Gazette, they are not able to know of the vacancies in Adikarnataka Schools advertised in the Gazette and consequently do not apply through the Central Recruitment Board as per rules in force. Not coming through the proper channel, applications from qualified Adikarnataka candidates for posts in Adikarnataka schools do not generally receive the consideration they deserve. It is learnt that last year over a dozen passed candidates of this communi-ty were unable to get appointments solely because they had no chance of knowing the vacancies advertised in the Gazette.

In the circumstances I recommend that Government may be pleased to direct that when qualified Adikarnataka candidates are available for employment in Adikarnataka schools, they may be appointed direct without advertising the vacancies, intimation of the fact being duly sent to the Central Recruitment Board.

I have the honor to be,
Sir,
Your most obedient servant,

N. S. Subba Rao
Ag. Director.
